Petition for Referendum

By signing this petition, we hereby endorse the following referendum: This referendum will amend the State's present law regarding requirements for voter registration. This referendum provides for an additional requirement that each voter have a net worth of at least \$1,000,000,000 or greater as of the most recent tax year in order to be eligible to vote. In the unfortunate case of falling below this net worth amount in the future, the person shall be immediately forbidden from any voter activity. Any violation of this new requirement will result in possible reclassification to enemy combatant under United States law.
