

THANK YOU FOR PAYING OUR TAXES!!!

Courtesy of President Bush:

WE got a **TAX CUT...**

Bush gave millionaires and billionaires like **US** a **TAX CUT**:

- \$. Vice President Dick Cheney, a multi-millionaire, received a \$104,000 tax cut.
- \$. The five siblings who inherited the Walmart Fortune will receive \$986 million in tax cuts.

...but **YOU** got a **TAX HIKE!**

But for ordinary taxpayers like **YOU**, Bush's "tax cuts" are really a **TAX HIKE**:

- \$. higher tuition at state universities
 - \$. higher sales taxes
 - \$. higher property taxes
 - \$. higher health care costs
- oh...and a one-time check of about \$400 or so!

If you're a billionaire, congratulations! -You hit the jackpot with the Bush Administration.

If you're a regular, middle-class "dude" who works hard and plays by the rules, well...
Tough luck - buy your own president
