

# John Kerry

*Leaving billionaires behind since 1943.*

## Special Interests

Kerry and Edwards have spent their careers pandering to the special interests of ordinary Americans.

*\$ George W. Bush knows his base: the haves and have-mores.*

## Foreign Oil

Kerry plans to cut back our dependence on foreign oil.

*\$ Bush knows there's no such thing as "foreign" oil. It all belongs to us!*

**BillionairesForBush.com**

## Foreign Relations

Kerry wants to win back the trust of fringe countries like Germany, Spain, and Sweden.

*\$ What need do Billionaires have for sauerkraut, paella, and Ikea?*

## Deficit

Kerry promises to reduce the federal deficit.

*\$ Enron declared Chapter 11 bankruptcy, why can't the government?*

## Education

Kerry wants to make a first-class education available to even second-class citizens.

*\$ Why throw good money at bad people? And how would this help Andover's struggling polo squad anyway?*

## Minimum Wage

Kerry wants to skyrocket the minimum wage so that it meets the cost of living.

*\$ We don't have a maximum wage, so why should there be a minimum wage?*

## American Jobs

Kerry proposes to create 10 million jobs in his first four years.

*\$ 10 million jobs? Whatever for? We billionaires have never even had to have one!*

## Healthcare

Kerry wants to reign in the rising cost of health insurance.

*\$ Billionaires say: 44 million uninsured? A good start!*
